EDUCATION

Bachelor of Dental Surgery (in view) | College of Medicine, University of Lagos (2015 – Present)

- Academic Standing: Good standing.

PROJECTS AND ACHIEVEMENTS/AWARDS

- United Nations Millennium Fellow (Class of 2019).
- Member of the KB KLUB, College of Medicine, University of Lagos.
- Member of organizing committee, STACK REFORM 2018, 2019, 2021.

TRAINING AND CERTIFICATIONS

FULLSTACK WEB DEVELOPMENT

Education Provider: Zuri Team Inc.

- I learned how to use build interactive and responsive websites using HTML, CSS and JavaScript.
- I learned how to develop secure and maintainable webpages with apps built using Django.
- I learned how to collaborate and contribute to projects using Git.
- I worked on a team that developed a comparison shopping engine that allows users to compare price of products, and shipping options of multiple merchants and retailers and in the process presenting the users with price offers that best meets their interest.

INTRODUCTION TO DATA ANALYSIS USING EXCEL

Education Provider: Rice University

- I learned how to use basic operations such as reading data into excel using various data formats, organizing, querying, and manipulating data, to some of the more advanced functionality of Excel.
- I learned how to use the various data filtering capabilities of Excel, and how to set filters in data to selectively access data.
- I learned how to use the various advanced graphing and charting techniques available in Excel. Starting with various line, bar and pie charts, to pivot charts, scatter plots and histograms.

LEADERSHIP

General Secretary | KB KLUB, College of Medicine, University of Lagos (January 2019 – January 2020)

- Took down minutes for each meeting and ensured that tasks were properly assigned among the executives.
- Chairman, Committee on Philanthropic Activities.
- Organized an Eye Medical Outreach to Epe Local Community, Lagos, Nigeria in partnership with Eye Foundation Hospital Group where over 200 community locals got free eye screening tests, free eye glasses, free eye drops and 15 community members got free cataract surgeries.
- Organized the first edition of the Professor Femi-Pearse Memorial Quiz Competition amongst medical students of the University of Lagos.
- Member of the standing Committee on Academic Activities (KB KLUB) that organized the third edition of STACK REFORM (a medico-entrepreneurial competition where students brought up ideas that can solve problems facing the Nigerian health sector).

Assistant General Secretary | Millennium Fellow Campus Network,, College of Medicine, University of Lagos Cohort (August 2019 – November 2019)

- Member of the pioneer executive committee.
- Handled the Logistics of the cohort.
- Developed budgets with the financial team for the execution of our project.
- Liaised and networked with a range of stakeholders including the Provost, College of Medicine, University of Lagos, Department of Psychiatry, Lagos University Teaching Hospital, Lagos State Government, Educational District 6, Suicide Research and Prevention Initiative (SURPIN), MINDTRUST, Association of Medical Students of the University of Lagos and a host of other organizations to create awareness on steps to curb drug abuse amongst the Medical students and Youth and also engender active participation of all stakeholders in ending the menace of drug abuse.
- Assisted the successful completion of data collection and analysis, and tendered a report for the cohort project titled "MAAD" "Medical Students Against Abuse of Drugs", which advances the SDG 3, "Good Health and Wellbeing", specifically the health target 3.5 which aims to "Strengthen the prevention and treatment of substance abuse, including narcotic drug abuse and harmful use of alcohol."
- Worked with my fellow teammates in the cohort, reaching out to over 1,000 students aged 9 - 19 years in public secondary schools across our locality, educating them about the dangers of drug abuse.

Financial Secretary| KB KLUB, College of Medicine, University of Lagos (January 2018 – January 2019)

- Headed all fund-raising initiatives of the KB KLUB.
- Recommended budgets in consultation with all standing committee chairmen of the KB KLUB.
- Ensured that all money collected in the name of KB KLUB was properly accounted for.
- Active member of the standing Committee on Academic Activities (KB KLUB) that organized the second edition of STACK REFORM (a medico-entrepreneurial competition where students brought up ideas that can solve problems facing the Nigerian health sector).
